HON. EDWARD ROBB.

Hon. Edward Robb of Perryville announces in this issue of THE PRESS that he is a candidate for the nomination for congress to represent the Thirteenth district. Mr. Robb served this district eight years in congress and needs no introduction to the people of Bollinger county. He says many of the voters in the district have requested him to become a candidate and on March 14, the democratic convention of (Perry) county, unsolicited on his part, passed a resolution requesting him to become a candidate for congress, and after due consideration he decided to do so. He says he is thoroly in accord with President Wilson's policies when our statesmanlike democratic and patriotic, and which have secured and will secure peace, honor and prosperity to our country. He hopes to make a canvass of the district and meet with as many of his old friends as possible. Mr. Robb's long experience in congress would assist him greatly in the discharge of the duties should he be nominated and elected.
